

9 DIRECTION ENERGY PLATE SET

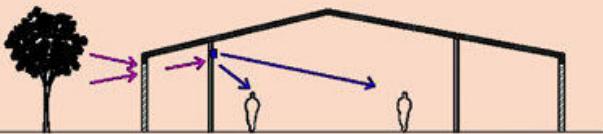

ENERGY BALANCING

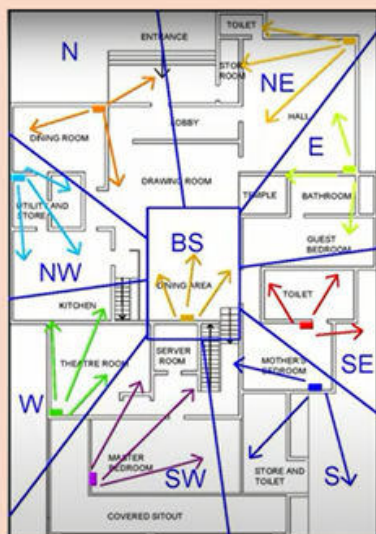

Four Major, Four Cardinal, and One Center Direction have a specific function to perform when a dynamic web of energy circulates inside the built environment.

During such a process, if any direction gets a defect, we need to rectify the particular energy plates which can be also called **Vastuworld Dikbandhan (Shielding & Tying all the Direction)**.

9 Direction Plates works to enhance directional energy fields.

Installed on a specific position on the wall of each **directional zone** of house, office or any space after performing rectification on **Cosmic Energy Level**.
