

Education Plate

Energy Balancing Remedy

Education Plate is an Energy Plate to enhance education and learning capacity of individuals in a group. It is used especially for schools, colleges & Educational Centers, library, coaching classes, etc.

**Used in large spaces
where people regularly
study in large groups.**

**Placed on the East or
North wall of the
North-East zone of the
room.**

**Installed above Lintel
level.**

**Corrects energy of
wrongly placed room or
wrong direction of
siting.**

**Creates a specific
vibrational energy in
the room through
specific sacred symbols
on the plate.**

**Education Plate
Wall Hung**
