# METAL VORTEX GYRATING ENERGISER

MVGE Gyrators generate a pulsating gyrating field which increases the room's energy and harmonises at the same time. They help to vitalise "dead corners" energetically

MVGE Gyrators have the power to regulate emotions and create positivity. It improves the well-being and harmony.

## Types

### Pentagram

It represents Balance of Human in an enclosed space

Square represents the boundary,  
Circle- the living space,  
Pentagram- the human and  
Bindu- the overall balance of the ecosystem .

### Swastika

It represents beginnings, resurrection, salvation and super-abundance and success .

The 8 points also represent eight forms of wealth: monetary, ability to transport, endless prosperity, victory, patience, health and nourishment, knowledge, and family.

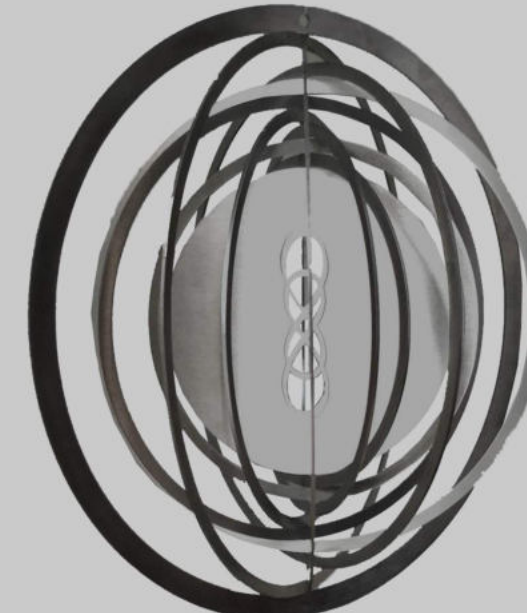

### Om

In Jainism, Om - ॐ is used in reference to Pañca-Parameṣṭhi, or the five supreme beings of the ancient Indian religion.

This moving Om symbol creates Om vibrations for purity ,balance and intellect , helps to focus and concentrate – hence good for Schools, Meditation ,Yoga , Puja and Study room.

### Infinity

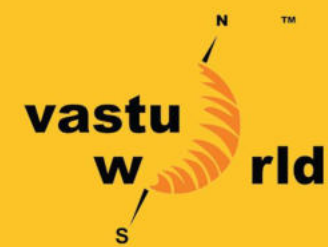

This symbol is a powerful enhancer to create a never-ending energy loop to act as an amplifier, a shield or a disruptor
