

Vastuworld Vortex 17 Plus Yang

VV17 Plus Yang

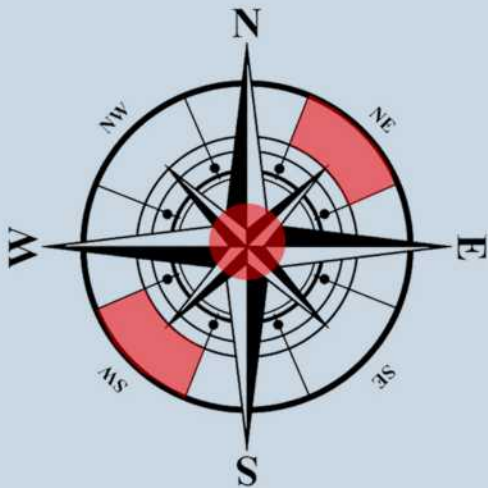

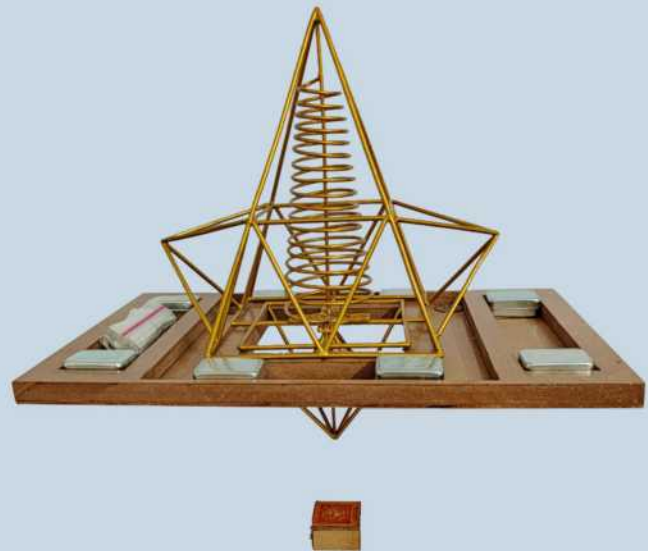

Exterior Geopathic Reversers

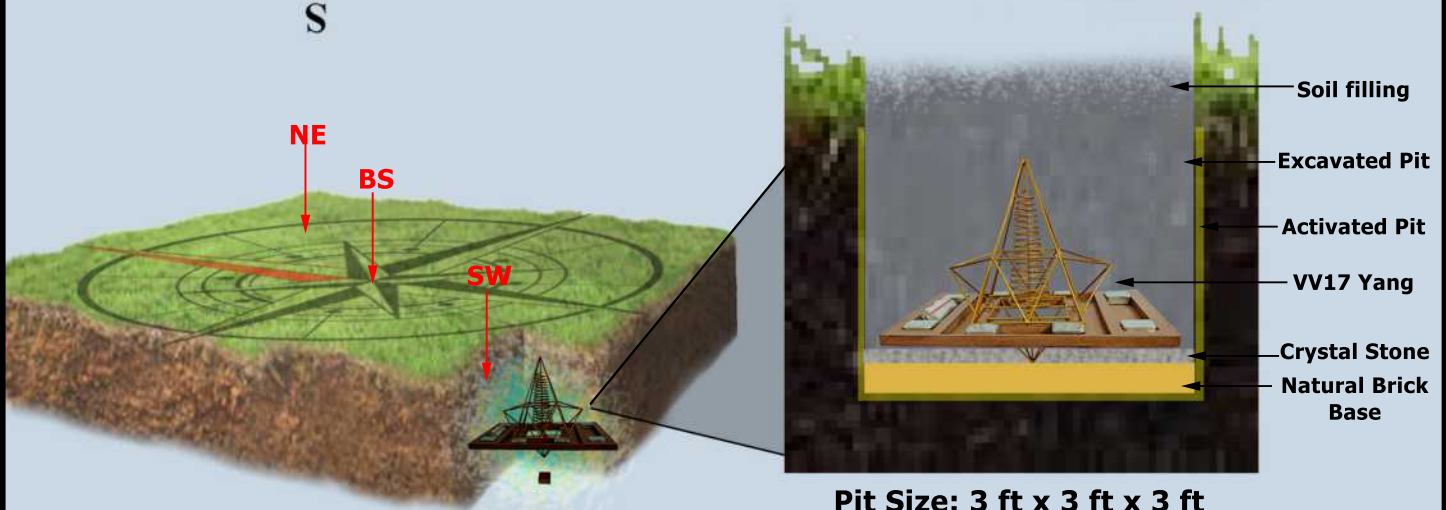

VV17 Plus Yang is the perfect solution to deviate and absorb the negative geostresses in small plots. VV17 Plus Yang helps in creating earthing for plots and projects which has new earth fillings & where true earth connections are lost.

**Domain of 40 Feet
diameter (1 acre)**

**Installed on Nodal
Points (NE/SE/BS)**

The **VV17 Yang** is placed in the centre of the plot along with other nodal points or on the North-East or South West side of the plot in order to protect the plot from negative influences.
