

# Vastuworld Vortex 17 Ying

## VV17 Ying

### Exterior Geopathic Reversers

VV17 Ying is the geo energies enhancer which would help the earth regains its power. Ying VV17 works on the principle of reverse vortex/ centripetal energies and help/ empower weak earth with positive helpful input. This product helps in creating energy exchange between cosmos and earth.

**Best for areas with heavy geo stresses and weak earth energies**

**Wooden Plate is oriented according to movement of earth energy**

Used for house with heavy Geo-Stresses and places which has weak earth energies (poor stability in work, business, financial losses, poor yield).

**VV17 Ying** has to be installed inside the earth and in the area which is under concern.
